

EUROVISION 2009 ESTONIA URBAN SYMPHONY RÄNDAJAD

Monday, 17 December 2007

Lyrics:

KÄurbekuumuses liiva

Lendab kui jÄÄÄkÄ¼lma lund

Ä-Ä¶ peagi laotamas tiivad

RÄndajaid saatma jÄÄÄb tuul

See on tee nad rÄndavad nii pÄevast pÄeva

See on tee nad rÄndavad siis ajast aega

See on tee ta nÄhtamatu rajana kulgeb

Nende ees ta ootab kui riskida julged

KÄ¼lmunud hingi vaid saadab

Kuuvalgus varje neist loob

PÄikesekiirena sooja

Hommik taas endaga toob

See on tee nad rÄndavad nii pÄevast pÄeva

See on tee nad rÄndavad siis ajast aega

See on tee ta nÄhtamatu rajana kulgeb

Nende ees ta ootab kui riskida julged

Nad rÄndavad nii pÄevast pÄeva

Nad rÄndavad siis ajast aega

Ta nÄhtamatu rajana kulgeb

Ta ootab kui riskida julged

Äöle mÄgede taevasse kaigub hÄÄÄ

See on tee nad rÃ¤ndavad nii pÃ¤evast pÃ¤eva

See on tee nad rÃ¤ndavad siis ajast aega

See on tee ta nÃ¤htamatu rajana kulgeb

Nende ees ta ootab kui riskida julged

See on tee

Ã

Translation:

In the desert heat, the sand

blows like ice-cold snow

The night soon spreads its wings

Nothing but the wind to escort the nomads

That is the way they wander from one day to the next

That is the way they wander from one life to the next

That is the way it weaves an invisible path

on them, it waits until you are ready to take the risk

It carries only frozen souls

The moonlight makes their shadows

Warmth in a ray of sunlight

is what the morning brings once again

That is the way they wander from one day to the next

That is the way they wander from one life to the next

That is the way it weaves an invisible path

on them, it waits until you are ready to take the risk

They wander from one day to the next

They wander from one life to the next

It weaves an invisible path

It waits until you are ready to take the risk

A voice echoes across the mountains up to the heavens

That is the way they wander from one day to the next

That is the way they wander from one life to the next

That is the way it weaves an invisible path

on them, it waits until you are ready to take the risk

That is the way
